STAR Consignors for Spring 2017

To Qualify as a STAR Consignor:

Must have sold 85% of total items in Fall 2016 sale; at least 50 of those must be clothing; no known problems with tags, hangers, etc.

If your name is on this list, you will NOT have to wait for your clothing items to be inspected! After checking in at computer, you will proceed to the STAR express line and leave all clothing there. You will need to place your toy/general merch. items onto the sales floor, get your pre-sale pass then you may leave. Any items pulled at inspection will be given back to you at end of sale.
