Halti® Optifit

A Safe and Easy Way to Stop Pulling

The Halti's unique design works by gently directing the dog's head, steering the pet into desired positions just like a horse. Features a self-adjusting chin strap and unique, reflective cheek straps that follow the contours of a dog's face. Designed to comfortably fit a wide range of dog muzzles, from boxers to greyhounds.

| ITEM # | SIZE | NECK CIRC. |
