Dear Organisation Manager

**Notification of endorsement as a deductible gift recipient
For your information**

Enclosed is your organisation's *Notice of endorsement as a deductible gift recipient (DGR)*.

Please note the following points.

- Your organisation's endorsement as a deductible gift recipient, together with the date or period of effect, is entered in the public register maintained by the Australian Business Registrar at www.abn.business.gov.au
- Your organisation's endorsement is based on the information it has supplied. Your organisation is required by law to notify the Tax Office in writing if its circumstances change and it ceases to be entitled to endorsement.

! As part of our risk management approach, each year we review the status of a number of deductible gift recipients.

While the tax laws do not require any particular intervals between self-reviews, we recommend that your organisation conducts a yearly review.

Your organisation should also carry out a review if there are major changes to its structure or operations.

! The government has announced that it will amend the 'in Australia' special conditions for DGRs to ensure that not-for-profit entities with DGR status use donations for the broad benefit of the Australian community.

It is expected that from 1 July 2013, a fund, authority or institution will meet the 'in Australia' special condition for DGR purposes if it is established in Australia and operates and pursues its purposes solely in Australia.

Accordingly, you will need to review your activities from this date to determine if you satisfy the proposed amended 'in Australia' special conditions. For more information about the amended 'in Australia' special conditions, refer to our *Not-for-profit reforms* web page. Go to www.ato.gov.au and search for 'QC00283655'.
