Professional Biography of **Anita Wing Lee**

Anita Wing Lee is an international broadcaster, award-winning speaker, humanitarian, meditation guide, and spiritual activist. She is the founder of Global Meditation Scope, which is the first and the largest creative meditation movement on Periscope. Anita livestreams with a level of authenticity and boldness rarely found online as she chronicles her journey as a millennial committed to fulfilling her highest potential to an audience of nearly 15k everyday.

Often hailed to be a voice for "wisdom beyond her years," Anita is a leader in the new generation of conscious leaders. Anita is the founder of Project Soul Fam, an initiative that harnesses her expertise in livestreaming to create exposure for humanitarian efforts and world issues. Anita is a two-time speaker for Summit Live, the world's most powerful livestreaming event.

She has been featured in Mashable, CBC, and is a Huffington Post contributor.
