**I**n 2007 I was boldly challenged to step up my evangelism efforts to help reach the 2 billion people who have never heard of Jesus. I was greatly touched by the great need and committed to winning 20,000 people to Christ in the next 3 years. I've made big commitments, but this was the biggest one at the time. I had to seek the Lord as to the how it could happen. He lead me to use the network of people who have been trained and/or assisted by Africa Missions to win others through personal evangelism, using the program, *Evangelism Explosion*. This explosion is taking place in the heart of Africa—Uganda, Rwanda, Burundi, the Democratic Republic of the Congo, and Tanzania is now added to the list!! (Continued on page 2)

## Evangelism Goals *(continued from page 1)*

The results of this campaign have been amazing and thrilling! We met and exceeded that first goal! Now we are in the middle of our 6th year of this miracle. Our goal for the 6th year was 50,000, but we went over and above that goal last year with 60,000 people making commitments to Jesus. So we made the new goal of a total of 80,000 by the end of this year! We are close, very close to realizing this dream as well.

New numbers were received today from our newest field in Tanzania! 1320 decisions for Christ! These figures came in from the area where we were the first white people to set foot into their territory! PTL! The official figure now stands at **78,795** as of August 2013! We only need to reach 1205 souls to make our revised goal of 80,000 first-time decisions for Christ by the end of 2013! Praise be to Him!

Uganda, Rwanda and Burundi have submitted their figures, but the number will still grow even higher once the Democratic Republic of the Congo send in their report. Our long range goal through 2019 is 500,000 new Christians! The number of pastors and church leaders empowered to grow their churches with Evangelism Training now stands at **1,596!**

### Going deep into the heart of Africa...

We told you in our last newsletter (7/13) of the trip we took from South Africa into the heart of the continent. **Herman Hinsbeek** and I traveled to the countries of Rwanda and Tanzania visiting, encouraging, and training pastors and leaders. We wanted to show you more great pictures from our trip. In Rwanda we joined up with Africa Missions team member **Robert Owade** who, along with his wife, is the East Africa Regional Director of Africa Missions.

### In Rwanda we visited with pastors near the refugee camp and had a training session to prepare for a great time of evangelism!

(Above) The welcome sign to the refugee camp, We were not stopped from spreading the Good News this time! Thank you to all who helped us fulfill our mission here!

This photo (left) was taken on the day we met the pastors in a neighboring town to discuss the soul-winning training course we wanted to conduct in the refugee camp

Pastors who attended the training in evangelism in the refugee camp. Notice the floor laid out with rock!

**In Tanzania** we were the first white people ever to set foot into that territory!

Teaching in Tanzania, they were amazed with the color of our skin!

These pastors in a remote part of Tanzania covered great distances to be trained in personal evangelism by Herman Hinsbeeck and Robert Owade, two of our very faithful and hardworking team members
