27. Marble looks clean and fresh, and oozes luxury in the bathroom. Here the walls, shower cubicle and basin area are all covered in elegant Calacatta Oro marble from Stone Age. The company can also make basins carved from marble. Calacatta Oro, from £160/m². 020 7384 9090 www.stone-age.co.uk

28. This 1909 kitchen includes Carrera marble Champagne and herb troughs inset into the island, perfect for keeping drinks on ice. The deli counter is in a matching marble, with the cooker splashback in contrasting Grigio Carnico marble. Kitchens from £20,000. 01325 505 529 www.1909kitchens.co.uk

29. Copper Dune granite has long, strongly defined, sweeping veins, shown here to great effect when combined with pure white Corian in this kitchen by Holloways of Ludlow. The granite is used for door panels, splashback and worktop. Kitchens from £25,000. 020 7371 1787 www.hollowayskitchens.com

30. These slabs of limestone have been hand-painted with a passion flower design, inspired by Ottoman tile designs found in the magnificent Tokapi Palace in Istanbul. Part of Decorum Est's extensive hand-painted limestone collection, hand-made in the UK. £386/m². 020 7731 5556 www.decorum-est.co.uk
