Animator - Illustrator - Graphic Designer

EXPERIENCE

3D Animation Intern

T.C. Millwork, Inc. (07/15 -10/15)

- Animated a logo bump based on the company's logo under the direction of the design supervisor
- Created 3D animated product videos to showcase TCM's retail lineup for potential customers
- Modeled replicas of TCM's retail shelving based on the CAD designs by the product engineers
- Worked closely with the CAD engineers to retain the authenticity and scale of the retail units

Graphic Design Intern

Philadelphia University (05/14 -08/14)

- Designed pamphlets, staff apparel, and graphics for the department offices at Philadelphia University
- Facilitated phone calls related to housing inquiries and advertising for on-campus housing operations
- Designed the ORL handbook and documentations for the curriculum and student housing
- Redesigned the ORL Blackboard website to better serve the Resident Assistants on staff
