RE: Nomination Request for Public Art Fellows 2018 student participants

Public Art Fellows (PAF) is a five-week paid summer fellowship that encourages young artists (grades 10-12), to engage the city as a landscape filled with possibilities for artistic expression. Each program is led by a nationally recognized artist and a team of artist-mentor(s) who guide fellows through the creation of works responsive to sites and artworks that celebrate public art in the City.

The PAF'18 educational program, Cartoons + Comics, invites fellows to use their cartooning talents to tell a story. Fellows tour downtown New Haven, exploring public art and developing a story that engages a favorite artwork or several artworks in the city. In addition to a local cartooning artist-mentor, a special guest comic book writer will discuss the art of developing exciting narratives that keep the pages turning. A community celebration in August will showcase the storyboards and comic books of these talented young artists.

To be eligible for nomination, a student must:

- Be enrolled in a New Haven high school in grades 10-12 for the fall of 2018, or a 2018 graduate
- Have prior cartooning experience
- Submit 3-4 samples of his/her work with the nomination and application
- Be available to attend the program orientation at the end of June, meet 3 times per week during the five-week program in July, and attend the community celebration in August
- Be willing to complete pre- and post-internship evaluations to assist Site Projects in crafting future PAFs

To be eligible, nominations, applications and artwork must be submitted to Site Projects for review no later than Noon on June 5th, 2018. Please forward materials to Laura Clarke at lclarke@siteprojects.org or mail to:
