

## Making Space (in Your Head) for a New Work **Tilleke Schwarz**

Maiwa Loft: Above the Net Loft, Granville Is. Vancouver BC

Sep 15, 16, 17, 2017 Fri, Sat, Sun, 10am - 4pm

### **Students Supply List:**

Maiwa will supply most of the materials required for this workshop. Students are asked to bring the following:

Scissors and some of your favorite stitching material.

### **Optional:**

- Camera to keep track of your working process
- Embroidery hoop (if you like to use one) in the size of your choosing.
- A few pictures or photos printed on 8 1/2 X 11 paper that you would like to include in your work

You are welcome to bring images of your recent work. Tilleke loves to see what you make as it helps her respond to your work and may be fun to share your images with the other students. Do keep in mind the images should be **easy to handle** (pictures on your mobile phone won't work in class) In consideration of time limits please keep the number of images to no more than 3.

The Maiwa Studios are well stocked work spaces, dedicated to all aspects of textile work. If you have favorite tools (such as scissors) it is recommended that you bring them. Please remember to label all personal supplies.
