

This is to certify that  
**CJS Risk Management**

CJS Risk Management, 163 City Road, London, EC1V 1NR, United Kingdom

Has been assessed  
by Paul Smith for IT Governance Ltd  
against the Cyber Essentials Scheme Test Specification

Level of certification: Cyber Essentials

Scope: There is no network infrastructure for Christopher John Sommer T/A CJS Risk Management. All portable devices and third party networks.

Certification date: September 16th, 2016

Recommended re-assessment date: **September 15th, 2017**

Certificate no.: 1787115721754693

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
