

ENVIRONMENTAL STEWARDSHIP MATTERS

Did you know?

Lawn and other fertilizers containing phosphorus are banned by law in Tuxedo Park

When buying lawn and other fertilizers, check the bag for a set of three numbers showing the percentage of nitrogen, phosphorus and potassium. Buy a bag with a "0" in the middle (no phosphorus) to protect our drinking water in Tuxedo Lake from harmful runoff.

Please remind your landscaper.

Remember – it is also against NYS law to apply lawn fertilizer before April 1. Visit [DEC's Lawn Fertilizer webpage](#) for more information.

For more information on how to protect our trees and environment and on the exciting transformation of the Race Track Nature Preserve, visit www.tptreeboard.org, or email tptreeboard@gmail.com
