IN STOCK / AVAILABLE NOW
ESTIMATED TO SHIP IN 1-2 WEEKS

ORPHAN WORK is founded on the concept of *adopting work from anonymous artists*. Because of its anonymous nature, Orphan Work calls for attention to remain fixed on an exploration of materials - and the pieces themselves - rather than the technicalities of where, why and by whom they were conceived. Each piece is meticulously handmade by a family of master artisans - the grandfather, father and son - one at a time in Italy, India and New York.
