TOUR DE ARCHITECTURE

Process is back in August with the 2013 winners of the Dulux Study Tour.

A career in architecture no doubt has its quirks and Amy Muir, Mel Bright and Adam Pustola talk about their practice, projects, and what makes them tick.

Join us for an evening of stories from the field. Share the successes and the challenges, the projections and reflections, highlights in their careers to date, and insights into how they got to where they are.
