Impacting the World from the Ground Up

Our mission is to unite a philanthropic community in funding grassroots organizations that provide food, health, shelter, safety, education, and opportunity for children living in poverty around the world.

Grassroots organizations possess the trust, knowledge, and continuity to provide sustainable solutions for their communities.

While grassroots organizations are best positioned to serve their communities, they often lack the visibility, infrastructure, and credentials necessary to secure U.S. funding.

One World has been bridging this gap since 2000.

Investment in a Strong Global Community

We enable donors to invest in a diverse portfolio of international, child-centered, grassroots organizations, by vetting, fiscally sponsoring, and monitoring nonprofits serving children and families in communities with the greatest need and the least access to resources.

Through One World’s fiscal sponsorship, our Grassroots Member Organizations raise up to 80% of their annual budgets with tax exempt donations and grants.

Our grassroots leaders, volunteer Champions, Board, staff, and supporting network generously share their expertise and assistance to help each other overcome challenges and implement best practices for creating sustainable organizations.
Providing Resources Where the Need is Greatest

In 2019, Beso Foundation used funds received via One World to open a high-quality, secondary school.

Previously, children in this community had to walk an hour each way to an expensive, government-run school, with a student to teacher ratio of 75:1. The long walk to school put the children’s safety at risk and reduced their energy and time for learning and play.

Beso’s school is free to the local community, making it easier for parents to pay for food and other essentials. The school has a student to teacher ratio of 25:1. While the school is still new, Beso is already seeing indications of reduced dropout rates.
Cost-Effective Grassroots Funding

One World brings our community together for collaboration and knowledge sharing. In 2019, our online community education programs included:

**Monthly tutorials** led by an expert from Classy.org on effective **online fundraising** for a U.S. audience

**Successful Relationships with Foundation Funders:** Preston-Werner Ventures and the Izumi Foundation offered tips on forming foundation relationships and submitting successful grant applications.

**Building a Major Gifts Fundraising Program:** Fundraising experts from the Hunger Project and Corporate Accountability discussed identifying, cultivating, obtaining, and stewarding major gifts.

**Grassroots Perspectives on Foundation Fundraising:** Four exceptional One World Member organizational leaders Humphrey Nabimanya (top left), Wendo Aszed (top right), Robert Kalyesubula (bottom left), and Solomon King (bottom right), shared best practices for developing strong relationships with foundations across continents.
Tailored Philanthropic Opportunities

One World works with funders to create philanthropic opportunities designed to meet grassroots needs.

**Grants Addressing Violence and Conflict**

In 2019, One World developed and managed a grant process as part of a $250,000 donation from the Rose C. Stone Family Foundation. This Foundation focuses on women and children affected by violence or conflict. A portion of the funds were designated to keep One World going strong, while the rest funded 5 grants supporting orphans, refugees, young girls and vulnerable youth in East Africa and Nicaragua.

**Matching Grants**

For many years, our co-founders, Savitri Burbank and Michael Kilgroe, have generously offered a matching grant to our Member Organizations on Giving Tuesday. Last year, the Rose C. Stone Family Foundation stepped up to participate with Savitri and Michael in a $10K match. Our Members raised $45k as a result!

2019 Member Accomplishments

**Kajo Keji (Uganda/South Sudan)** treated 7,000 patients and reached over 65,000 individuals, including children, with community-based health education.

**St. Vincent’s Rescue Center (Kenya)** enrolled 3 orphaned youths, who came to the rescue center as children, in university. Dorcas is pursuing Education at The Catholic University of Eastern and Central Africa, while Teresia and Mercy are studying Hospitality Management at Utalii University College.

**Empowering Youth Cambodia** conducted 331 social worker visits, keeping 180 kids in school.

The **Lwala Community Alliance (Kenya)** responded to a flood disaster in Migori County, Kenya, where nearly 1,800 people were displaced. Lwala provided food, health services, and water treatment packages.

**Shared Action Africa (Uganda)** (pictured above) worked with women’s groups to help 4,221 female refugees receive family planning services.
2019 Member Recognition

The Action Foundation (Kenya) founder Maria Omare won the U.S. Department of State Professional Fellows Alumni Impact Award for her work to improve the education, health, social, and economic outcomes of young children and girls with disabilities living in poverty.

"As a young African woman, who is championing for disability rights, an issue some still consider a curse, paving the way for others to do the same through the Profellows Award means the world to me. Honored and grateful!"

Maria Omare

CDTD (Kenya) collaborated with the BBC to produce the documentary 'The Hidden Lives Of 'Housegirls,' about the issues and injustices experienced by domestic workers in Kenya. The film has had over 1 million views.

Spès Nihangaza, FVS-Amade (Burundi), received the World's Children's Honorary Award 2019, for 25 years of fighting for Burundi’s orphaned and vulnerable children.

The founders of Fundi Bots (Uganda), Shule Direct (Tanzania), and Women In Technology Uganda, all received the African Diaspora Network’s 2019 Builders of Africa’s Future Award. The award celebrates innovation and impact in early stage African enterprise.

ACCESS, located in Uganda, has been a Member of One World since 2014

ACCESS provides comprehensive health care services, education, and economic empowerment to alleviate rural poverty.

In 2019, ACCESS provided school materials and healthcare for 445 orphans and vulnerable children. 47 of those children were also given full tuition support.

**Peace**, a 5 year old orphan living with HIV, receives high-quality care at the ACCESS HIV clinic. ACCESS' support is also helping her maintain regular attendance at school.

ACCESS built a maternal-child ward (pictured above), providing local access to healthcare and medications in a rural area.
The Qian Zheng Memorial Scholarship (QZ Scholarship), located in China, has been a Member of One World since 2015.

QZ Scholarship supports underprivileged, and underrepresented female STEM undergraduates in Chinese universities, providing mentorship, financial assistance and a global alumni network. QZ has helped 62 women achieve STEM degrees since the organization was founded in 2011.

“I am so lucky to be one of the QZ scholars. It gives me a chance to engage with a group of women who are so brave and excellent… Female independence and the attitude towards life have been most valuable to me.”

The Ujima Foundation, located in Kenya, has been a Member of One World since 2017

Ujima provides job training and employment services to orphaned youth caring for younger siblings. Ujima offers mentoring and entrepreneurship courses, as well as job opportunities from a network of local employers.

In 2019, Ujima provided employability training for 498 orphaned youth caring for 1,498 siblings and children of their own.

Ujima’s **Girls@Work project** trains out of school and vulnerable girls. In December 2019, 54 young women celebrated their graduation from employability training in Mombasa (pictured). By graduation, 10 students had already secured employment in the hospitality industry.
The Action Foundation, in Kenya, has been a One World Member since 2017. The Action Foundation works with children, parents and schools in the Kibera Slum, to offer inclusive health, education, empowerment and protection programs for children with disabilities.

The Action Foundation served over 500 children in 2019, expanded their program into two informal settlements in Nairobi, and developed an innovative mobile app to enable peer learning among teachers, parents and practitioners.

At 3 years old, Samuel did not have the ability to hold himself up or coordinate his body movements. Samuel’s parents could not afford therapy at the hospital, but the Action Foundation stepped in to help. **After just a few weeks of therapy, Samuel was walking.** His parents could not be more proud! Samuel is now working on his speaking skills at the Action Foundation.
Volunteer Impact
Kliptown Youth Program

In 2019, volunteer Fundraising Champion Jenny Getz (pictured left) visited Kliptown Youth Program (KYP) in South Africa, a trip she takes almost annually. KYP joined One World in 2016.

Jenny works closely with co-champions Vicky Peet and Lynn West to support KYP’s fundraising and raise awareness of their efforts in the United States.

KYP provides nutrition, tutoring and athletic programs for children. In 2019, KYP provided 2 meals per day to 511 children living in poverty (over 100,000 meals!). These meals help children have the energy to learn, become active community members, and cultivate hope for their futures.

A huge thank you to our Fundraising Champions!
