Structured collaboration is the best way to overturn traditional ways of thinking and achieve breakthrough results. Challenge Dialogue System (CDS) is a proven way to bring together diverse groups for purposeful and effective collaboration that drives outcome focused results and strategies. Organize and operate a Challenge Dialogue using CDS in 8 steps:

1. Identify the Need for a Challenge Dialogue
2. Plan the Challenge Dialogue
3. Engage the Participants
4. Seek Participant Input
5. Report on Progress
6. Come Together for Face-to-Face Dialogue
7. Synthesize and Integrate Results
8. Reflect and Act on Results
