

Vancouver DPAC December 2020 Pulse Check Survey

Conducted Dec 1 to Dec 18 2020

Survey summary

Survey circulated via social media (Twitter, Facebook) and to individual PACs via email to redistribute to their parents. Three segmentation questions, five questions for all respondents, and three to four questions targeted specifically towards elementary in-person, elementary transition and secondary hybrid learners. We asked parents to fill out the survey once for each child. [Survey questions here](#)
