SHOPFIT FUNDER IS THE MOST POWERFUL AND EXPANSIVE LEASE FINANCE PRODUCT AVAILABLE IN TODAY'S MARKET.

KEY BENEFITS OF SHOPFIT FUNDER

- We always fund 100% of the costs of your shopfit.
- We can include design, delivery and installation fees.
- Keep your new store openings and refits on track with better cash flow management.
- Efficiently manage the growth of your organisation.
- No administration fees, no set up fees, and no deposits.

Key Finance has been providing leasing services into the High Street retail ecosystem for 25 years, working closely with sole traders, leading multinational chains, franchised, franchisees, and distributors.

We can help you finance a huge variety of projects, including shop builds, shop fits and shop refits, in addition to the build and maintenance of warehouse and distribution centres – encompassing everything from fixtures & fittings and IT through to architectural and planning costs.

Challenge us to find a solution to your requirements.
