

My name is Christina Williamson, I am a Registered Radiologic Technologist. I hold ARRT certification in both General Radiography and Computed Tomography. I have 20 years of experience in Radiography and 11 in the field of CT.

I have been a member of the MSRT for the last 9 years and have previously served on the Board of Directors in the positions of 2nd Vice President, 1st Vice President, Assistant Executive Secretary and most recently as the Executive Secretary/Treasurer. I have also served as Affiliate Delegate in the past and I was on the ballot to be CT Delegate with the ASRT. And I attended and completed the ASRT Leadership Academy program in 2014.

It is important and honorable to be able to represent my state at the ASRT Annual House of Delegates meeting, and I am looking forward to being able to once again hold this position.

Thank you for your consideration,

Christina Williamson RT(R)(CT)
