

Please join us in Tampa! Costs for the meeting are organized as follows. Due dates for different payments vary, but registration fees for **presenters** are due no later than **February 1, 2017**, and for **general attendees** by **April 1, 2017** on a space-available basis. If you have questions, please contact syngbio2017@ut.edu. Payment currently available via credit card. For payment via cash, check, or wire transfer, or via invoice through a university or organization, please contact us through the email address above to arrange, by emailing a screen shot of your cart with your request. Full refunds are possible up to February 15th (minus a 10% processing fee), after which refunds will be pro-rated.
