HISTORY AND PHILOSOPHY OF THE PROGRAM

In order to provide a high quality and enriching program for a diverse population of children, St. James’s Children’s Center was founded in 1986 as a partnership between St. James’s Church and the Center’s founding director Geraldine Johnson. The goal of St. James Children Center is to offer children at risk or with developmental disabilities the opportunity to learn and play beside their typically developing peers in an inclusive environment.

FROM THE BOARD OF DIRECTORS

St. James’s Children’s Center is a 501(c)3 nonprofit organization which began as an outreach program of St. James’s Episcopal Church. Our mission, “Preparing Young Hearts and Minds for Life” expresses our commitment to creating a quality early childhood program that prepares young children for success in school and in life. We teach and uphold the values of building strong communities and curiosity for learning. Above all, we strive to create an environment in which love and respect are shown for each child as an individual so that they, in turn, learn to respect themselves and others.

ADMISSIONS PROCEDURE

❖ Families obtain a registration packet from Ms. Giselle Dougan, Program Manager in the front office, or on our webpage at www.stjchildrenscenter.org.

❖ Registration requirements: Completed registration form, signed family income statement, current immunization record, copy of birth certificate, commitment contract, signed authorization form and annual $60 registration fee paid. Please note that your child is not registered until all paperwork is completed and registration fee is paid.

FEES

❖ A non-refundable annual fee of $60.00 is required at the time of registration.

❖ Weekly Tuition is $225.00 per week

❖ Weeks that include a holiday or an emergency closure require full payment.

❖ We offer limited scholarships for families who demonstrate a financial need. This is determined on a first-come first-served basis. To apply for scholarships, you must return your previous year 1040 tax return with your completed registration packet.

❖ Tuition payments are due on the first day of the school week. A $10 late fee is added to each week that payments are late. If payment is not brought up to date within the second week, your child will not be allowed to return to the center until your account is current. If you choose to retain your child’s slot during the time that your child is out, you will continue to accrue weekly charges until payment is current.
❖ If your account is delinquent and you need to set up a payment plan to become current, please contact account representative at 804-898-9331 to discuss your options. This will be decided on a case-by-case basis.) In registering your child with our program, please understand that you are paying for a slot that cannot be filled by another child unless you withdraw your child. Therefore, parents pay for every week that the center is open, whether your child attends that week or not.

OPENING AND CLOSING

❖ During inclement weather, St. James will announce school closures and delays on CHANNEL 6. We are not able to announce on Channel 12.

❖ Operating hours are from 7 a.m. to 5:45 p.m., Monday through Friday. Children will not be accepted after 9:30am.

❖ There is a late fee for children picked up after 5:45p.m. The rate is $5 per minute. Those fees must be paid in cash within a week after the late date. Late fee payments are given to office staff member and those who are habitually late may be withdrawn form the program for cause.

If your child is receiving services, we ask that:

❖ You share any available assessment with our staff so that your child’s needs are best met.
❖ A parent/teacher conference will be scheduled to assess what accommodations or modifications your child may need in order to function best in the classroom. It is our hope that the therapists or early childhood developmental specialists working with your child will attend this meeting as well.
❖ Parents are expected to be involved in the process of setting goals for development, accommodations and continuing progress.
❖ We encourage professional intervention to be carried out in the natural environment of the classroom so that teachers can learn intervention strategies and carry those strategies out while working with the child.
❖ When children are moved to a different classroom a transition plan will be discussed with the parents and carried out by the staff. (see transitions in Parent Handbook).
