

You are invited to Join Me for a Dye Party!

You are cordially invited to join me for a Fabric Dyeing Party where you will be treated to a fun day of fabric dyeing and experimentation. All party attendees will receive a SWAG bag complete with handouts, 3 yards of PFD fabric and party attire (mask and gloves). We'll kick off the party with dyeing basics: supplies, set up and safety. Then we will dive in and learn five different fabric manipulations along with options for creating gradients and color bursts. As the party winds down, you will leave with 12 fat quarters of hand dyed fabrics, everything you need to know about rinsing your fabrics once home along with resources to continue the dyeing fun!

When:

Where:

Cover Charge: \$30 (cash or check) to cover the cost of Your Swag Bag (3 yards of PFD fabric and protective wear), use of dyes and handouts.

Party Attire: As with any party, there is a chance of spills so I recommend wearing old clothing.

B.Y.O.C.:

Bring Your Own Containers!

12 plastic containers w/lids that are pint or quart sized to hold 1-2 fat quarters:

-Ziploc's Small Square Sandwich sized plastic containers

-Quart sized plastic containers w/Lids from Paint Section of Home Improvement/painting stores

-Recycled pint sized or larger yogurt/cottage cheese/sour cream containers and/or Restaurant To Go plastic containers

1 large (30-50 quart sized) Plastic Storage Tote and lid that is large enough to safely transport home all your containers with fabric/dye.

** Blue Dawn Dish Detergent to rinse your dyed fabrics once home (ok to leave at home)

Optional Party Gear: Apron/Smock, Dishwashing Gloves, Camera/Journal To Document Your Experiments, 1-2 prewashed cotton fat quarters from your stash (ie. white on White prints, black and white prints or any light colored fabrics to over dye using any leftover dye)
