

Prophetic Activation Event

Jesus is communicating with us all of the time! He has so much to say about us and the people and situations we encounter as we go through life. He is the speaking Lord of all creation!

Helping those we lead to become more confident in exercising the prophetic gifts is a vital part of building a dynamic discipleship culture in our local churches. And of course, we can't ask others to attempt what we as leaders are not willing to do ourselves!

The goal of this Prophetic Activation Day (Saturday, December 4, from 9 a.m. to 4 p.m. at York Alliance Church) will be to help you lead out in the prophetic gifts with increased wisdom, good sense, and faith. You will receive engaging Biblical and practical equipping in prophecy, words of knowledge, and words of wisdom. The second half of the day will focus on proven practices for developing a prophetic culture across your church or area of ministry.

Throughout the day there will be ample space for processing, Q&A, and enjoyable (yet stretching!) activation exercises. You will be intentionally helped to apply and live out what you learn!

Your leaders for the day will be Alex and Hannah Absalom. They have been in church leadership for over 25 years, from a plant in London UK, via a variety of churches in Sheffield UK, Oklahoma City, NE Ohio, and Long Beach CA. Over that time Hannah and Alex have gained a rich and wide experience and understanding of the prophetic ministry, allying that with the practical wisdom of everyday life in the realities of local church leadership. Today they lead Dandelion Resourcing, which equips leaders like you in naturally supernatural discipleship and mission.
