

**DEVELOPING
KINGDOM WORKERS**
EASTERN PA ALLIANCE

DEVELOPMENT AREA: PERSONAL GROWTH
**THEODYSSEY: BLESSED TO
BLESS OTHERS**

TRACK DESCRIPTION

While there is no formula for personal and spiritual transformation, there is a compass. Transformation happens when we agree to slow down, dismantle distorted ways of thinking, and ask ourselves key questions that shape our life: How do I view myself? How do I view God? What practices bring me life? What do my actions reveal about my trust in Jesus? Encountering truth is often disturbing but rediscovering spiritual honesty and grounding our lives in the Gospel opens the door to a transforming friendship with Jesus.

DEVELOPMENT OUTCOMES

1. Identify underlying patterns that shape your choices and behavior
2. Experience the love and delight of Jesus apart from your ministry
3. Discover how being grounded in the person and promises of Jesus leads to whole heart transformation
4. Find joy in hearing and responding to God's invitations to life
5. Fruitful journaling that leads to greater inner awareness.
6. Prepared to help others experience whole heart transformation with Jesus
