**SUMMARY**

**VISION:** All children will learn, grow and develop to realize their full potential.

Parents as Teachers is an evidence-based parent education and family engagement model serving families throughout pregnancy until their child enters kindergarten. Families receive personal visits typically in their homes from certified parent educators; group meetings; developmental, health, hearing and vision screenings; and linkages with community resources. The model has four goals: to increase parent knowledge of early childhood development and improve parenting practices; provide early detection of developmental delays and health issues; prevent child abuse and neglect; and increase children’s school readiness and school success. It is adaptable to the needs of diverse families, cultures and special populations. Note: Not all countries collected and reported each data point. Each data point only includes those countries who collected that data.

The information in this summary is based on data from 1,031 Affiliate Performance Report submitted in: US, UK, Canada, Germany, Switzerland

The typical reporting period is July 1, 2018 to June 30, 2019

## CHARACTERISTICS OF CHILDREN AND FAMILIES SERVED

### Child Ethnicity

- Hispanic or Latino: 28.9%
- Non-Hispanic/Latino: 69.9%
- Not Answered: 1.3%

### Child Race

- American Indian/Alaskan Native: 4.8%
- Asian: 2.5%
- Black or African American: 16.8%
- Native Hawaiian/Other Pacific Islander: 0.5%
- White: 60.3%
- Multi-racial: 10.1%
- Other: 2.0%
- Not Answered: 3.0%

### Ages of children served at time of enrollment (Excludes prenatal)

- 5 years old: 2695
- 3 years old: 58968
- 2 years old: 242
- 1 year old: 4964
- 0-11 months: 20076

### Ages of children served at end of program year (Excludes prenatal)

- 5 years old: 79%
- 3 years old: 18%
- 2 years old: 22%
- 1 year old: 22%
- 0-11 months: 18%

### High needs characteristics of the families served

- Young parents: 9350 (10%)
- Low income: 58968 (64%)
- Child with disability/chronic health condition: 12140 (13%)
- Very low birth weight baby and preterm birth: 2695 (3%)
- Parent with mental health issues: 11815 (13%)

### Percentage of families who had:

- Zero high needs characteristics: 21%
- One high needs characteristic: 29%
- Two high needs characteristics: 24%
- Three high needs characteristics: 14%
- Four high needs characteristics: 12%

- One or more high needs: 16%

### Families who speak regularly speak Spanish in the home:

- 20076

### Families enrolled prenatally:

- 16%

## PROGRAM SERVICES AND IMPACT

### Personal Visits

- Total number of completed personal visits: 973,051

### Child Screenings and Referrals

- Initial developmental screenings conducted: 36,135 (80%)
- Initial health reviews conducted: 34,745 (85%)
- Annual developmental screenings conducted: 50,106 (86%)

©2019 Parents as Teachers

1/13/2020

---

**Waitlist and Attrition**

- Number of families waiting for services: 9624
- Family attrition rate (includes families who moved out of service area)^1: 20%
- Family attrition rate (excludes families who moved out of service area)^1: 16%

---

**Reasons for Exit**

- The enrolled child(ren) aged out (or graduated) | 7554 | 27%
- The child and/or family transitioned to another early childhood or family support program (without aging out or graduating) | 2083 | 7%
- The child and/or family moved out of the service area | 4265 | 15%
- The family regularly missed scheduled personal visits | 2653 | 9%
- The family could not be located | 3572 | 13%
- The family no longer wants to receive services | 3341 | 12%
- The family left the program for other reasons/unknown | 4589 | 16%

---

**Note 1:** Because moving out of the service area is not a reason for exit that can be controlled by a PAT service provider, the annual attrition rate has been calculated both ways (with families that exited due to moving included and excluded from the calculation). Also note that the attrition rates reported here are based on only one program year.
