

we learn, we build, we play with  
**LEGO® Bricks**

# AFTER SCHOOL

So fun it won't feel like learning!!

## TUALATIN VALLEY ACADEMY

**2015-2016 After School Program:**

**Spring Session - Fridays: 2:30 – 3:30pm**

Bricks 4 Kidz after-school classes deliver a high quality educational program where kids experience the hands-on fun of motorized and brick model construction using LEGO® bricks.

- **We Learn...** Problem solving & critical thinking skills are developed while creativity and self-confidence are encouraged. Lessons teach S.T.E.M based concepts across a variety of subjects like gear ratio, torque and friction, geography, space exploration, weather and MORE!
- **We Build...** Classes are multi-age with 2 levels of builds for each class; a beginner model for K-2, and advanced model for Grades 3-5. Working with a partner, students build a new model each week, from concept to completion.
- **We Play...** Math & Science are applied to real world situations while architecture and engineering concepts are explored through challenges and creative free play.

**Grades: K – 5th**

**Fee: \$70.00 for 7 week session**

### Friday Class Dates:

**April 15, 22, 29**  
**May 6, 13, 20, 27**
