

TEENS, TRUCKS, & TRAFFIC

May 15, 2018

"Know the NO's"

NO Phones !!

NO Zone !!

NO Distractions !!

This Teens, Trucks, & Traffic event will be held at **BOS Center**, located at Springfield, IL.

"Teens, Trucks, & Traffic", a division of the **Illinois Trucking Foundation**, is a program that further educates teen drivers on traffic safety. The program not only reinforces what teens already learn in driver's education class, but also educates teens about the NO-Zone areas around a commercial motor vehicle and brings about a hands-on experience regarding traffic safety that students will never forget!

Truck Centers, Inc. will be hosting this year's **NO-Zone** training, where students will have the opportunity to sit in a car and a commercial motor vehicle and recognize the blind areas (NO-Zone) around them, first hand.

The **Illinois State Police** will teach about what is known as the **Fatal Four** - texting and driving, drinking and driving, speeding, and failure to wear a seatbelt. The Crash Car, Seatbelt Simulator, and Golf Carts with impairment goggles are tools used to raise awareness during this training session.

The **Street Smart** presentation takes the audience into the real-life drama experienced by the firefighter/paramedics as they work to save the lives of individuals who have made poor choices when it comes to distracted driving, drinking or using drugs, impaired driving or getting in the vehicle with an impaired driver and the non-compliance of seat belts.

The **City of Springfield Police** will be presenting a session on good decision making, how to handle yourself during traffic stops, and help educate teens on safe driving habits.

Students who attend the event will receive a T-shirt and a NO Zone bracelet and lunch will be provided. Schedule and classes run from 9am-2pm daily.

If you are interested in sponsoring this event, please contact:
Linda Blisset at (217) 789-6017 or linda@iltrucking.org

**** Please make checks payable to the Illinois Trucking Foundations**
