Re: Public Transportation Commission Meeting scheduled for October 13, 2016

Dear Councilman Reddick:

I am in receipt of your letter requesting cancellation of the Public Transportation Commission ("Commission") meeting scheduled for October 13, 2016 at 9:00 a.m., due to a scheduling conflict. I appreciate you bringing this to my attention.

I strongly agree with you that the decisions that are the subject of the October 13, 2016 Commission meeting will potentially have a lasting effect on this Commission and the businesses the Commission is charged to regulate. I also sincerely believe that all members of the Commission should have the opportunity to provide input on such decisions.

Due to multiple scheduling conflicts, the desire to have as many Commission members present for such a significant discussion, the possibility of a lack of a quorum and the risk of inconveniencing affected parties and members of the public should there not be a quorum, I am canceling the October 13, 2016 meeting and re-noticing the Agenda for the November 9, 2016 Commission meeting.

I hope this information is helpful to you in addressing your scheduling issues.

Sincerely,

A handwritten signature in black ink that reads "Victor Crist". The signature is written in a cursive, flowing style.
