

BE A PART OF THE DISCUSSION ABOUT THE BELLEVUE SCHOOLS!

The Bellevue Community School District has formed a District Facilities Committee to evaluate the facilities and needs for the district. From several discussions and a survey that was conducted during August and September of community members in the district, it is time to move forward with more in-depth discussions of what our community believes are keys for our facility improvements.

Community Engagement Meetings will take place on **November 9 and December 7 at 7:00pm in the Bellevue Elementary Gym and Lunchroom area** to discuss facility needs of the district PK-12. Meetings will consist of a review of an analysis of our facilities by the Legat Architects and resulting conversations about our facilities, along with valuable comments from anyone attending the meetings.

Tours of the Bellevue Elementary building will also take place on the following dates:

- Tuesday, November 7 at 10:30 AM
- Thursday, November 9 at 12:00
- Wednesday, November 15 at 2:00
- Monday, November 20 at 12:00

In addition, tours will also be offered on November 9 and December 7 at 6:00 PM.

If you have any questions, please contact Superintendent Tom Meyer at the Bellevue Community School District at 563.872.4001, Ext. 4
