Binding Agreement and Participatory Fee

Once **FAD Market** has reviewed and accepted your application, we will send you an offer email. At that point, you will be responsible to pay the 'participatory fee', which will include the space rental plus any equipment rental fee, upon receipt of the offer email. If **FAD Market** fails to receive payment within 5 business days the participatory offer will be retracted and given to the next interested applicant.

The offer email combined with your payment for the participatory fee forms the binding agreement between you, the participant, and **FAD Market**. The payment secures your reservation on the assigned date in the offer email. Please note that the space rental fee is non-refundable. Please refer to the cancellation and no-show policy section for further details.

Spaces are 6' x 5' at \$140 per day and \$240 for the weekend. Table shares are 3' x 5' at \$90 per day and \$140 for the weekend. Tables can be rented for an additional cost at \$20/each and chairs at \$10/each. Only one table will fit in each space and all table shares must rent a table from FAD Market.

Participants may remit the participatory fee to **FAD Market** via Chase Quickpay, Zelle, Venmo, or Paypal by remitting payment to info@fadmarket.co.

Assignment and use of space.

Assignment of space/s is sent to each participant the Monday before the scheduled market. Participants must acknowledge that the location and configuration of the spaces may vary. **FAD Market** has sole responsibility to market, position and determine assignment of spaces to all participants and the participant will accept all such determinations as final. Participants are not allowed to exchange spaces with other participants and participants are prohibited to transfer, assign, sub-license, sublet or share the space to other participants or any third parties in any form whatsoever without consulting **FAD Market**. On the market day, do not move tables especially without the permission or assistance of the management.

Do not change or add anything to your vetted products without consulting **FAD Market**.

Participants may not exceed the footprint of the designated space. If you encroach outside of your area you will pay the applicable rate for the extra space. All areas must be kept clean and walkways cleared. **FAD Market** and its participants must comply with the EGRES standards of the venue.

FAD Market requests that its participants take pride in their assigned space/s. Please decorate the assigned space presentably without disturbing other participants. Tables must be covered with table linen that covers at least the front and sides of the table/s from the tabletop to the floor. Stored property underneath the tables may not be visible. Presentation is an important component to **FAD Market** and we would like its participants to contribute to the overall aesthetic of the market.
