## Highlighted Needs

### Student Ministry

Summer Weeknights

Consider investing in our students and helping with our **youth or college fellowships** this summer! Please contact Daniel Chan (danielkchan@gmail.com).

### Evening Fellowship

Every Sunday

Small groups are assigned to **set-up and clean-up** at every Evening Fellowship. However, we constantly need more help. Please lend a hand whenever possible!

If you are unable to serve in any of these ministries, you can still help by having a **willing and available attitude** and simply jumping in whenever there is a need! We also encourage you to find "unofficial" ways to use your gifts and develop relationships that point others to our great Redeemer.
