

CLEEVE COMMON HACKING LICENCE APPLICATION

I wish to apply for one or more licences to ride a horse or pony on Cleeve Common. In applying for a licence I agree to abide by the Cleeve Common Horse Riders' Code. Licences are valid for either a full year (March to February inclusive) or half a year (September to February). You will receive a numbered tag which should be attached to your bridle or saddle whenever you ride on the Common. You may use your licence tag with different horses, but it is not transferable to another person.
