

Summer Schedule (starts June 12th)
4723 Concord Pike Wilmington, DE
www.FirstStateKids.com
(302) 477-0553

First State Kids support families through the first five years of their children's life. We provide classes to help develop children's language, social, cognitive, fine motor and gross motor skills. We also aim to provide an environment where parents and caregivers can connect with both their children and other adults in order to feel comfortable, confident and supported in their role of raising young children.

If you have any questions or need to update or cancel your membership please email Amber@firststatekids.com. Keep in mind we do require two weeks notice for cancellations.
