Why Summer Camp? We have been going to Hume NE for the past three summers and have seen awesome things happen! Summer camp gives students an opportunity to break away from their normal routine for a whole week, meet new friends, have a blast, get to know their leaders better, and be challenged in their relationship with Christ. It is an incredible opportunity for you to get plugged into our student ministry at HGC and to learn what living for God really means! And did we mention it is AMAZING!!! Jake and May will also be leading this trip with some other great leaders (as well as Caleb and Ellie☺).

Registration: To officially register for this trip, you must hand in the attached registration form and your payment to Jake or the HGC office. Jake is reserving spots in advance, so once you register, he will input your info into Hume's system and they will then send you an email with all of the info you need, and instructions on finishing registration online. **You are only fully registered when you complete Hume's online registration!**

- If you are an 8th grader entering high school, and you are active in our youth program at HGC, you can come for a discount rate of **\$260** if you register on or before June 25! (ask Jake if you have any questions on this!)
- If you have issues with the cost of the trip, talk to Jake, as we want to do everything in our power to help you come. Hume NE also has some great scholarship opportunities available, and the sooner you talk to Jake, the better chance you have of getting them!

Travel Details: Your trip cost covers everything you need on the trip (food, travel, lodging, camp t-shirt). You may want to bring some spending money for certain events that may cost a little extra (paintball, high ropes, etc.) as well as snacks or other Hume apparel throughout the week.

Things you need to do:

- 1- PRAY – make sure you start to pray for the trip now
- 2- Check out the website for more information and videos on the camp (humelake.org/newengland)
- 3- Register ASAP with Jake
- 4- Complete the forms that Hume sends you through email
