Dogpatch & Northwest Potrero Hill Green Benefit District

New planting plan for north end of Grove has been developed by David Hall from HOA.

Volunteer planting day is being organized to install plants.

Future job identified – pathway edging needs repair

- **Progress Park** dog fence repair – estimate received from CatMex
 - **Dog Waste Stations** – Installed 6 in Dogpatch (2 Angel Alley, 2 Progress Park, 1 Progress Dog Park, 1 The Gears), NW Potrero is next!
 - **IM Scott sidewalk gardens** – working on edging solutions to replace yellow caution tape
 - **Angel Alley** – irrigation options are being assessed
 - **Pennsylvania Ave** benches – bench construction completed along with FUF sidewalk expansion, but only installed 1.5 benches instead of 3 due to thickness of slab that made cutting much more difficult.
 - **22nd Street Caltrain Station** – potential location for ceramic artist Sharon Virtue’s mosaic tile murals to be relocated and installed on concrete walls of the station
-
- **GBD Capital Projects** – Defining needs, attaching costs. Service Group offshoot will get prices on the list that is currently being generated.
 - Julie has been communicating with GBD **Janitorial and Landscape Maintenance** providers on tracking and reporting procedures.
