**"Our stone baked, authentic New York Style Pizza starts with lots of love. We prepare our dough fresh every day and use only top quality tomatoes and spices for our secret sauce. We use nothing but 100% all natural mozzarella cheese. We also make our own sausage, meatballs, hamburger, chicken and steak meat in-house from scratch with 100% all natural meat and no added preservatives or artificial flavors - a claim that the competition can't make. No, it is not an easy task, but we take great pride in serving our valued customers nothing but the best."**
