Safety Update

From time to time it is important to address the State Fire Marshal's interpretation of what is not allowed in a health care facility. These regulations are promoted and enforced in order to keep us safe and prevent any potential risk of harm to our residents and staff.

Decorative lighting that is not UL listed with the UL label intact on the cord is prohibited. As are extension cords and multi-plug adaptors of any kind, and decorative candles (even if the intent is not burn them). Only battery operated candles can be used.

This is also a good time to remind everyone that electric blankets, heating pads, power taps (multi-plug power strips) and oil filled plug-in air fragrance cannot be used at any time in our building.

If you have any questions, please contact the staff here at Nye Pointe. Our goal is to provide as safe and comfortable an environment as possible for everyone.

Happy Times

May Dates and Recognitions

Spring is finally here! That means warmer weather, grilling, mowing the lawn, planting flowers, and spring cleaning.

May is also a month of celebrations! We begin with May Day on the first, followed by Mother's Day on the 14th, Armed Forces Day on the 20th, and Memorial Day on the 29th. We will also be celebrating National Skilled Nursing Care Week during the week of May 14th-18th

During National Skilled Nursing Care Week, skilled nursing care centers will coalesce under the theme "Celebrating Life's Stories". Centers will be encouraged to collect individual narratives to cultivate a shared sense of purpose at the center and in the surrounding community.

The 2018 NSNCW theme announced by AHCA, "Celebrating Life's Stories", serves as a tribute to life's most significant events, relationships and experiences that shape the unique perspectives of residents, families, staff, and volunteers in long term and post-acute care.

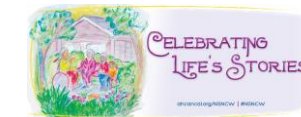

Events for this year's Skilled Nursing Care Week include a special Mother/Daughter Tea Party on Thursday May 17th at 3:30. Nye Pointe's Culinary Department will provide the food and beverages. While we enjoy our treats, Christine Coulson will entertain us with live music. Please RSVP to Dan in Life Enrichment

(dan.sullivan@nyepointe.com or 402.753.6179) by May 14th.

The Culinary Department will also have muffins and coffee available on Mother's Day, Sunday May 13th for "Muffins with Mom".

On May 18th, Nye Square will be hosting a Chamber Coffee in support of the Fremont Veterans Memorial Park. During this event each of the veterans living at our Fremont campuses will be recognized at a display table highlighting their name, branch of service, and a photo of their choice.

We encourage you to join us and your loved one for other events and activities during May, as we "Celebrate Life's Stories".
