

★I have something to say...

★Could you say more about that?

★I have another opinion...

★I agree with ----- because...

★Let me see if I understand you. Are you saying that...?

★I have something to add to what ----- said.

★I have a question for ----- about...

★I think the author is trying to say...

★Can you prove that...?

★What is the author trying to say here?

★What do you mean when you say...?

★I noticed that...

★I disagree with ----- because...

★Another example of that is...
