

Dear friends, partners, beloved in the Lord;

I am excited to send to you the very first newsletter for the ministry the Spirit of God has birthed and entrusted to me, Greater Glory Ministries. The vision for this international ministry is twofold: Revival and Evangelism. It is our desire to see many people come into the Kingdom of God through the Gospel of Jesus Christ and also to see the body of Christ set ablaze and mobilized to do the work of the Kingdom. The Apostle Paul by the Spirit of God tells us in 1 Corinthians 4:20 that the ***“kingdom of God is not in word, but in power”***. It is our desire to see hearts and lives truly changed and transformed by the power of God to His GLORY! Jesus said that when He is lifted up, He will draw all men unto Himself. Our supreme desire is to see Jesus exalted! I also believe that the more of God we want, there is more of the Lord available to us. The Lord invites each of us to seek Him with all of our hearts with the expectation that when we do, we will FIND Him! **(Jeremiah 29:11-14)** There is a greater glory that each of us can walk in when we seek Jesus Christ, and walk in His glorious presence. My prayer for each of you today is that the Lord will refresh you, anoint you, and fill you afresh with His Spirit.

I want to share with all of you in this first newsletter about two trips I attended in October and November of 2015. In October I was invited to minister at a conference in Mexico City, Mexico by my dear friend and Pastor Maher Castan. Every year at his church, Vid Mexico, they hold a powerful conference called “Yo Creo”, meaning in Spanish, “I Believe” **(photo above)**. It is held yearly during the same time as Halloween and also during the festival of the dead, which is widely celebrated in Mexico. Pastor Maher and the beloved people of God at Vid Mexico have taken a bold stand against the works of darkness. They are believing for a mighty move of God in Mexico! While there, I had the privilege of ministering the Word of the Lord the first night of the conference. The Lord gave me a Word entitled, “The God Who Answers by Fire”. Just as the Prophet Elijah took on the false prophets of Baal, God only answered by fire when the Prophet Elijah called upon Him. There may be many idols all around us, but there is only ONE True and Living God! There is only One name that saves, JESUS! Our altar time was packed with people hungry for the presence and power of God. God touched many of His people with His power throughout the conference and lives were changed to the GLORY of GOD!

(GOSPEL CRUSADE, EL BAGRE, CA)

(GOING BY BOAT TO MINISTER AT A CHURCH)

In November I had the privilege of ministering in Bogota and El Bagre, Colombia. I went as a part of the Leadership International Team, which is a ministry out of the church that I also pastor at ([www.brockportcc.org](http://www.brockportcc.org)) The picture above (left) is a large Gospel crusade we ministered at in the city of El Bagre. We literally were in a large field with a platform set up. After I ministered and preached the Gospel, I came off the platform and saw two great miracles take place. First, a Colombian pastor/evangelist came up to me with his beloved son, only 6 years old. His son was weeping and would not stop. He told me that as the Gospel was being preached his son could not stop crying and for the first time he gave his life to Jesus Christ. The Spirit of God had touched his son so powerfully. It was very beautiful! GLORY to GOD! Another man approached me who was in need of healing in his leg. He said he could barely move it and

was in so much pain. He came expecting to receive from the Lord. I laid my hands on his leg and prayed and the Lord touched him and this man was then able to not only move his leg, but also squat and do much more than he was able to do before the Crusade. Praise the Lord our Great Healer. He is the only One who can do these things in our lives and He deserves all the honor, glory, and praise.

The second photo(right) is a picture of me and a team going by boat to a small town to minister in one of the local churches. The person to my left in that picture is my dear friend Mildred Parra. She is my translator when I am down in Colombia. The Spirit of the Lord moved so powerfully and prophetically during our time of ministry in that small town. The Lord gave a very specific word to that church about breaking the spirit of religion and the traditions of men. The Lord desired to bring such freedom to that church. At the end, a man came forward to receive Jesus Christ as well! All glory to God! Afterwards the team and myself were invited to have lunch with the pastor and his family. It was a sweet time of fellowship in the Lord.

I want to tell each of you that I love you my dear friends, brothers and sisters in the Lord. My new website [www.greatergloryministries.org](http://www.greatergloryministries.org) is now up and running. When you have an opportunity please stop by and visit the website. Also, my new book Moving Mountains through Destiny Image is set to release on 9/20/16, but I will be taking pre-orders very shortly. I appreciate each one of you and will be praying for all of you. Soon, I will be sending a Word from the Lord to encourage you in your walk with Jesus.

You may ask how can I help this ministry. Firstly, I want to say that all of this belongs to the Lord. And there are ways to significantly help Greater Glory Ministries and make an eternal impact. Firstly, you can pray. Prayer is powerful, and I am looking for intercessors to join our prayer team. Please let me know if you feel led to do so. Please pray for many to come to know Jesus and encounter the Lord. Also, you can help financially. Every dollar goes towards the advancement of the Kingdom of God to the glory of God. If you feel led by the Lord to sow into Greater Glory ministries, here is the link. I've also included an itinerary below of upcoming ministry events that I will be ministering at. Love you all in Jesus.
