## A Camper's Note to You...

"It's hard to put into words how this camp has impacted my life. I have met so many amazing people who care for me unconditionally, and that is a feeling like no other. I have had the chance to do things I've never done before, and I've learned to appreciate nature and the beauty of it. I feel

blessed and lucky to have had come here, and I hope to continue to come to WEHGC for many years to come." – Ruby

## Gearing Up...
