DUCK & GOOSE

ESPRESSO / WINE BAR

Description

Banana Old Fashioned

Typically mixing whiskey is regarded as a cardinal sin in our den but it's hard to resist this sweet and rich, yet buttery and smooth drink.

The flavour is subtle yet complex, and the bacon garnish... you will thank us later.

Duck & Goose Mai Tai

A delight of a cocktail crammed with vibrant flavours and full of life. Many have their own recipe, & this is ours. I hope you enjoy it.

The Eldeflower

This classic cocktail meets our eccentric tones with elderflower twists and the slightest lacing of lemon. For those who know what they like but wish to tiptoe to the wild side occasionally.

Margarita

Our first love is espresso but let's not forget about our good friend tequila and this classic is sure to get you wherever you need to go this evening.

The Collins

This enchanting gin is served with a dash of soda, cucumber peel & the freshest mint to enhance flavours. The perfect refreshment on a hot day.

Duck & Goose Champagne

No other served like ours.

White Russian

We have taken an old classic and made it brand new. Our milk is infused with a secret ingredient we will not reveal, its one you won't find anywhere else.
