ADMISSION PROCEDURES:

Students seeking admission are evaluated in the following areas: on the basis of their transcripts, behavior at previous schools, our application, and an entrance test, which will be set up by the office. Families will be notified regarding status of the application.

Marginal students or students with less than a "C" average in their core academic subjects may have difficulty in attaining a satisfactory level of academic achievement. Liberty Christian School is not equipped with the resources required to serve children who are seeking to be admitted into special education programs. Students who seek admission directly following suspension, expulsion or behavior problems from another school will not be admitted until they prove themselves in another school.

Liberty Christian School is committed to providing a Biblical philosophy of education, which integrates Christian principles and Scriptural truths in the academic and social experiences of every student.

Financial Policy:

All accounts are to be paid by the 15th of each month. A \$20.00 late charge will be added to any account that is not up-to-date. If there is a problem in keeping an account current, parents should seek assistance with the principal. Every reasonable attempt will be made to work with families having difficulty.

Non-discriminatory Statement:

Liberty Christian School admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admissions, policies, scholarship programs, and athletic or other school administered programs. Liberty Christian School does reserve the right to select students on the basis of academic performance and personal qualifications including a willingness to cooperate with the Liberty Christian School's administration and abide by its policies.

School Standards

Students are expected to:

1. Behave and work responsibly in the classroom and on the school campus, abiding by the standards set by the school.
2. Have a courteous, respectful, and a cooperative attitude towards administration, teachers, and all students in the school.
3. Adhere strictly to the no weapons policy. This states that any knife, gun, or other implement which is designed to be a weapon is strictly prohibited.
4. Adhere to the dress code which is further explained in the following:
5. Do their best and perform at a satisfactory level. Students who consistently perform at a below average level will be placed on academic probation. Students, who fail a class at the semester, may be subject to dismissal.
6. Bible is a required class while in attendance at Liberty Christian School. Students will be involved in the study of God's Word which is vital to the Christian life.

Parents are expected to:

1. Encourage a courteous, grateful, respectful, cooperative and forgiving attitude, along with proper restraint (self-control) in thoughts, words, actions, and attitude.
2. Encourage habits of punctuality, thoroughness, neatness, honesty, resourcefulness, independent reading and study.
3. Encourage participation in school projects, programs, parties, sports, and physical education classes.
4. Encourage completion of all homework and assignments, and help the student develop effective study habits.
5. Encourage school personnel by your cooperation, prayer support, participation in school activities, and by communication (in writing when possible).
6. We understand that parents and children may not always agree with some areas regarding our standards. We do expect that parents will nevertheless train their children to abide by the rule and the spirit of the rule.

You may expect your school to:

1. Clarify to all students our expectations, and to commend, counsel or correct as occasion demands.
2. Cooperate with you in every way possible to encourage your child in the development of the above attitudes, habits and skills.
3. Communicate with you regularly concerning the growth, needs and accomplishments of your child.
4. Provide a Christian environment in which to learn about and deal with the non-Christian world in which we live.
