Financial Policy

All accounts are to be paid by the 15th of each month. A \$20 late charge will be added to any account that is not up to date. If there is a problem in keeping an account current, parents should seek assistance with the principal. Every reasonable attempt will be made to work with families having difficulty.

Parents' Response: I have reviewed the financial policy and dress code and agree to support them fully. *I also give my permission for my child to take part in all school activities, including physical activities and school sponsored trips away from the school premises.* It is required that both parents read the policies and guidelines and both parents sign below.
