<p><i>Tell us about yourself</i></p>	<p>I am a retired school administrator who was also an adjunct professor who taught Diversity in an educational setting and foundations for school principals on a graduate level. I received my B.A. and M.A. from Case Western Reserve University and a doctorate from the University of Akron. I have one son and 5 grandkids.</p>
<p><i>How long have you lived in Forest Hill? Why did you move here?</i></p>	<p>I have lived in Forest Hill for 28 years. I moved here because Forest Hill was tranquil and very beautiful. I thought it would be an excellent location to raise my son in a very diverse community.</p>
<p><i>Why do you want to be a trustee?</i></p>	<p>To help restore our FH Community to what it used to be when I moved here 28 years ago. In addition, once restored, I want to be a part of the community maintenance program. However, if you are looking for someone to be negatively aggressive, I am not the one. If you are looking for someone who is determined, powerfully receptive and willing to be professionally aggressive, then I am the one.</p>
<p><i>What will be your neighborhood focus as a trustee?</i></p>	<p>As trustee my neighborhood focus will be to unify the street to become a cohesive group working together to make our street safe, beautiful and ordinance compliant. We will do this in partnership with the other trustees on the street.</p>
