<p><i>Tell us about yourself</i></p>	<p>Resident of Forest Hill with wife, Dana, since February 1996. Currently a real estate agent with Keller Williams Greater Cleveland Southeast, formerly with Howard Hanna. Licensed since 2005. Have listed and sold homes in Forest Hill. Prior career was non-profit housing development. Past president of FHHO></p>
<p><i>How long have you lived in Forest Hill? Why did you move here?</i></p>	<p>Over 21 years. Previously lived on Haselton Road. Took frequent walks through Forest Hill and was attracted by the quality of homes and quiet neighborhood. Felt save while walking the area. Found a home with a first-floor office for Dana’s speech pathology practice, also close to my office at the time.</p>
<p><i>Why do you want to be a trustee?</i></p>	<p>Have noticed an increasing number of homes with deferred maintenance and/or neglected landscapes. I appreciate the high quality of Forest Hill homes and area design both from my career in housing development and as a real estate agent. I intend to support further development of the Forest Hill community and the homes therein. An additional focus is greater municipal involvement with Forest Hill concerns and wider area recognition of benefits we offer.</p>
<p><i>What will be your neighborhood focus as a trustee?</i></p>	<p>Specifically, communication with residents, to inform them of current FHHO activities/initiatives and to elicit news and concerns. In addition, notify city and FHHO of any immediate issues. Generally, support the ongoing refinement of FHHO operating systems to ensure long term viability.</p>
