Tell us about yourself

My name is Fernando John. After working for 50 years I am now retired and it feels darn good. I have been married to my wife, Martha for 46 years. We have 2 children, 3 grandchildren and lots of family and friends.

How long have you lived in Forest Hill? Why did you move here?

Martha and I have lived in Forest Hill for 40 years. We chose this area because of the way the homes were kept and the area presented a picture perfect place to raise our children. Both of our kids attended and graduated from Cleveland heights schools.

Why do you want to be a trustee?

Being a trustee would give me an opportunity to closely connect with the people in the area who may have some of the same concerns as I do. We need to maintain Forest Hill as a great neighborhood and attract people to come live here for a great living experience.

What will be your neighborhood focus as a trustee?

I will focus on doing the things we need to do to get our area back up to the standards that brought us here so many years ago. We need to clean up the houses and nearby areas on Mayfield Road. The eyesores can't be tolerated any longer.
