Tell us about yourself

Born and grew up in Pittsfield MA. BA in Liberal Arts. Met my wife in Toronto. Married 42 years. Two children. Two grandchildren. Lived in Canada 23 years. Moved to Cleveland in 1995. Lived in Forest Hill for 18 years. We enjoy the natural beauty and wildlife in Forest Hill and enjoy especially the great neighbors here. We are Rockefeller owners and have restored our home. I sell real estate primarily in the east suburbs of the Cleveland market with highest volume of listings sold and buyers represented in the Forest Hill real estate market.

How long have you lived in Forest Hill? Why did you move here?

My wife and I moved here in 1998. We were smitten by the design and quality of the homes and the natural setting of the Forest Hill neighborhood.

Why do you want to be a trustee?

I'm passionate about maintaining and enhancing the homes and properties in the Forest Hill neighborhood. The next leadership group is important and I would like to have a voice in the selection of that group.

What will be your neighborhood focus as a trustee?

I will continue to work with neighbors and homeowners getting their feedback. I also would like to see a much more united focus on the goals we have set in FHHO. I believe divisive rhetoric is very counterproductive and would seek a progressive agenda using the best ideas of all neighbors in Forest Hill. I also want to continue working with the Forest Hill Volunteer Group to assist neighbors who require physical assistance in keeping their properties maintained.
