<p><i>Tell us about yourself</i></p>	<p>I grew up in Wooster, Ohio, and after graduating from Miami University, my wife, Laura, and I (we met in high school) moved to Chicago, followed by a move to the Boston area, San Francisco, back to Ohio, where we lived in Ohio City followed by Oberlin, then back to the West Coast to Los Angeles, returning to San Francisco, then up to Ashland Oregon, and another cross-country move back to the Boston area, and finally, to Cleveland once again. Truly dizzying when I see it in print. We moved back to be closer to family, with a focus on our aging parents.</p> <p>I work as a financial services consultant now, but have worked across a broad range of industries, with a focus on information management, data strategy, and predictive analytics. My wife is a studio potter and mixed-media artist, and recently moved her studio into our home. We're joined by one "easy button" dog, Augie, who is a Lab-Dane mix, and a rotten little dog named Frankie, a Jack Russel-Boxer mix, both rescues. You'll see us out walking Forest Hill on a daily basis. I'm also an avid home brewer, and motorcyclist.</p>
<p><i>How long have you lived in Forest Hill? Why did you move here?</i></p>	<p>I moved to Forest Hill in 2013. When we were considering returning to Ohio, I fell in love with the "house with the tree in it", and we knew we had to have it. Our first order of business was to find a good arborist! We love the attitude of the East Side, and have enjoyed the warm welcome we've received from our neighbors. It truly feels like a community.</p>
<p><i>Why do you want to be a trustee?</i></p>	<p>I am currently the trustee for Henley, although I live on Monticello. Being a trustee is important to me, as I recognize that we are the eyes and ears of the organization. During the past year as a trustee, I've delivered newsletters (a little over 200 for the last delivery), notified standards of violations, and welcomed new residents. In addition, my wife and I, along with Betsey Kaufman, hosted a brat/pulled pork table that raised over \$350 for FHHO. I believe that the trustee roles are the most important in FHHO, as we have the opportunity to set the legislative agenda, elect responsible and engaged officers, and the obligation to roll up our sleeves to get the work done.</p>
<p><i>What will be your neighborhood focus as a trustee?</i></p>	<p>I will focus on the positive interactions that bring us together as a community – block parties, the Monster Garage sale, support of the 5K, and soliciting donations to FHHO from my assigned street.</p>
