<p><i>How long have you lived in Forest Hill? Why did you move here?</i></p>	<p>I have lived in Forest Hill for 18 years. I moved from Nashville, Tennessee, to my home at 2025 Mount Vernon Boulevard in 1999. I was happy to escape the heat in Nashville. I fell in love with Forest Hill when I first visited the community. The historic housing stock, tree-lined streets and quiet neighborhood were big selling points. Over the years, I completely restored my home.</p>
<p><i>Why do you want to be a trustee?</i></p>	<p>We need to improve the problem houses and roads, particularly in the East Cleveland section of Forest Hill. We need to bring our homeowner's association into the 21st century with forward-thinking people and initiatives.</p>
<p><i>What will be your neighborhood focus as a trustee?</i></p>	<p>I would like to assist in whatever way I can to enhance the neighborhood and attract young professionals and their families to live here. We must be more intentional in our efforts about cementing the legacy of Forest Hill.</p>
