Tell us about yourself

I am a retired advance practice nurse (worked at University Hospitals Cleveland Medical Center) with oncology patients at Seidman Cancer Center. I was board member for several years for East Cleveland Parks. Presently, I volunteer at Seidman Cancer Center with stem cell/bone marrow transplant patients.

How long have you lived in Forest Hill? Why did you move here?

I moved to forest Hill in 1999 from Nashville, TN. I knew several people who lived in Forest Hill and loved the architecture and custom built homes. I knew it was a very diverse area which is important to me.

Why do you want to be a trustee?

I fell in love with the homes and many people in Forest Hill and the importance of upkeep of the homes. I feel I can be a valued example of home and yard maintenance to maintain property values.

What will be your neighborhood focus as a trustee?

Working with neighbors who desire to keep their homes kept up and maintain the standard to which Forest Hill is known.
