Main Barn Stalls: \$400

The Main Barn has 13 box stalls adjacent to the indoor arena, a feed room, two tack rooms, and four grooming areas. The stalls are 12' x 14' with an attached paddock of 12' x 20'.

Cat House Stalls: \$375

The "Cat House", or South Barn, has 10 box stalls, two grooming areas and 16 lockers. The stalls are 10' x 12' with an attached paddock of 12' x 20'.

Shed with Run: \$350

11 "runs" are available to either the North Side of the Main Barn or to the South side of the Cat House. These open front sheds are 10' x 20' and the attached runs are 18' x 20'. Tack space is available in either the Main Barn or the Cat House dependent on the side occupied.

Pasture: \$300

We have 7 acres available for pasture boarding. There are no more than five horses kept out there at any given time, which limits availability. Two sheds are standing in the pasture at 12' x 18'. A second 7 acre lot is used to rotate horses onto during the summer to keep grass growth, which allows for bailed hay to be supplemented as necessary.

All boarding includes:

- Horses are fed at 7:30am and 5:30pm
- 6 flakes of hay (4lbs per flake)
- Automatic Waterers
- Will feed grain as provided
- Stalls and Runs are cleaned daily
- 6 turn-out runs on property
- 1 indoor and 3 outdoor arenas all for your personal use

Extras Available With Board:

- A separate program for Services is offered if requested on your behalf (i.e. blanketing and turn-out, handling for ferrier, vet or chiropractor in your absence). Contact Linnea at 970.691.1773
- Any additional flakes of hay desired are \$30 per month per extra flake
- Four Winds has a custom grain made (14% protein, 14% fat, 15% fiber). It is offered at a flat monthly rate of \$100 for 8 QTS per day. Additional QT's requested are \$30 monthly per QT.
